

Start the Compliance Conversation

We can help you uncover data about your organization — and implement a compliance communication program to help train against deficient areas. RealBiz Shorts brings a continuous program of training solutions to close gaps and foster a culture of compliance.

42% of employees don't know the consequences of breaching their expenses and entertainment policy.

54% of employees don't know what questions they should ask before hiring a third party.

46% of employees are unable correctly identify when taking advantage of a discounted offer is a conflict.

Increase the Impact of Compliance

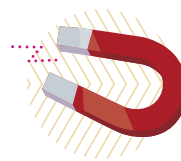

Mitigate Risk

By focusing on communication and culture, your employees will be able to recognize and deal with real world issues.

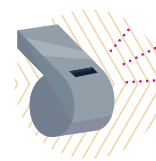

Enhance Training

Enhance existing training, marketing and communications. Kick off live events to help set the right tone.

Increase Engagement

Use approaches that appeal to your learners to create responsible, knowledgeable employees.

Reinforce Topics

Achieve wider reach and increase retention to reinforce topics between training sessions to create an ethical workplace.

Topics Include:

Anti- Money Laundering
Conflict of Interest
Corruption & Bribery

Culture of Compliance
Environmental Health & Safety
Fair Competition

Fraud & Accurate Reporting
Information Security & Privacy
Workplace Behavior
